PORT **B**

PROJECT CARGO SUMMIT
2024/09/18

15
km

Nowadays port facilities are some
from Bilbao City Centre

IN THE OLD TIMES,
THE PORT FACILITIES
WERE RIGHT IN THE
CENTRE OF BILBAO

Constant evolution

Since 1991 we have been investing to provide the port with new land and new berths

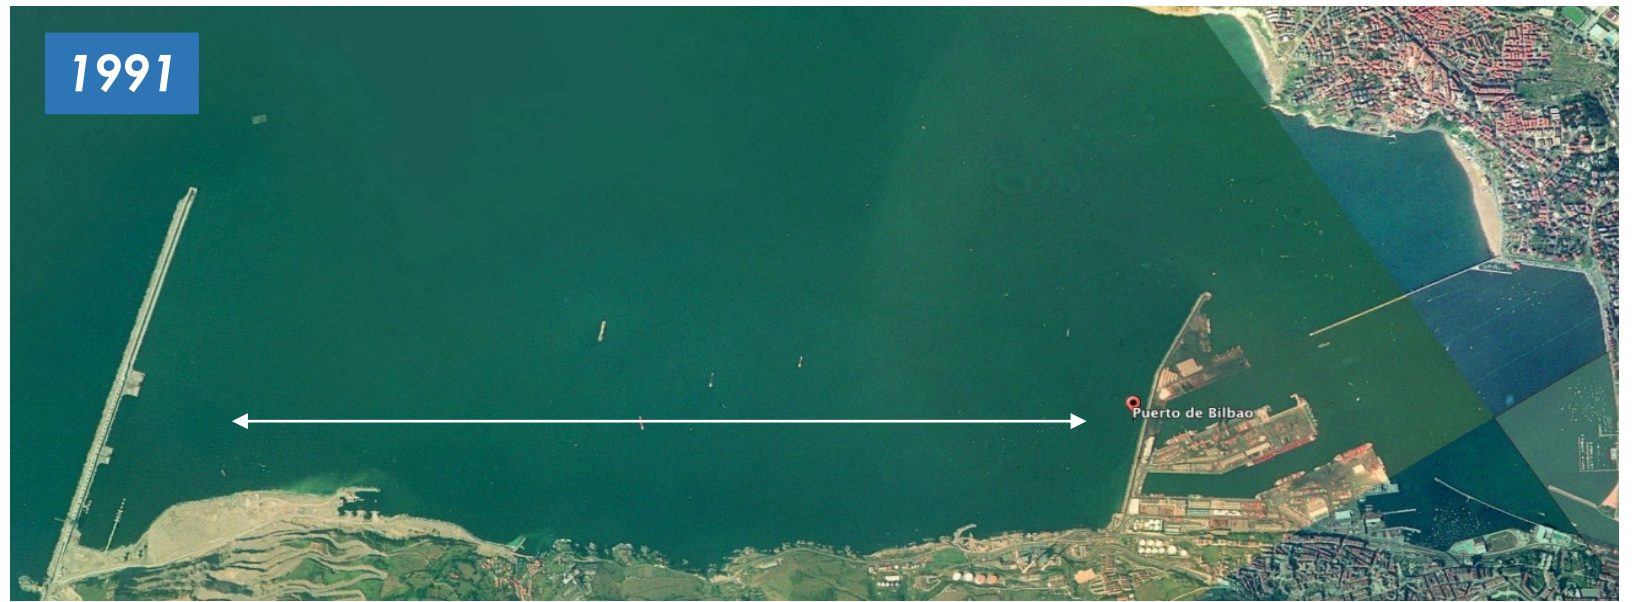

Years	1991	2023
-------	------	------

SURFACE	150 ha	430 ha
----------------	--------	--------

BERTHING LINE	13 km	22 km
----------------------	-------	-------

DRAUGHT	up to 14 m	up to 21 m
----------------	------------	------------

1991

Public Investment: 1,000 mil. €

Private Investment: 2,500 mil. €

2023

Energy, industrial & logistics port

- Multipurpose port
- Operational 24 / 7
- 32.8 million tonnes
- 2,642 vessels
- 4,243 trains
- 1.5 million trucks

- Connected to more than 900 ports throughout the world
- Direct connection to the Motorway Network
- Dry ports network and railway regular services

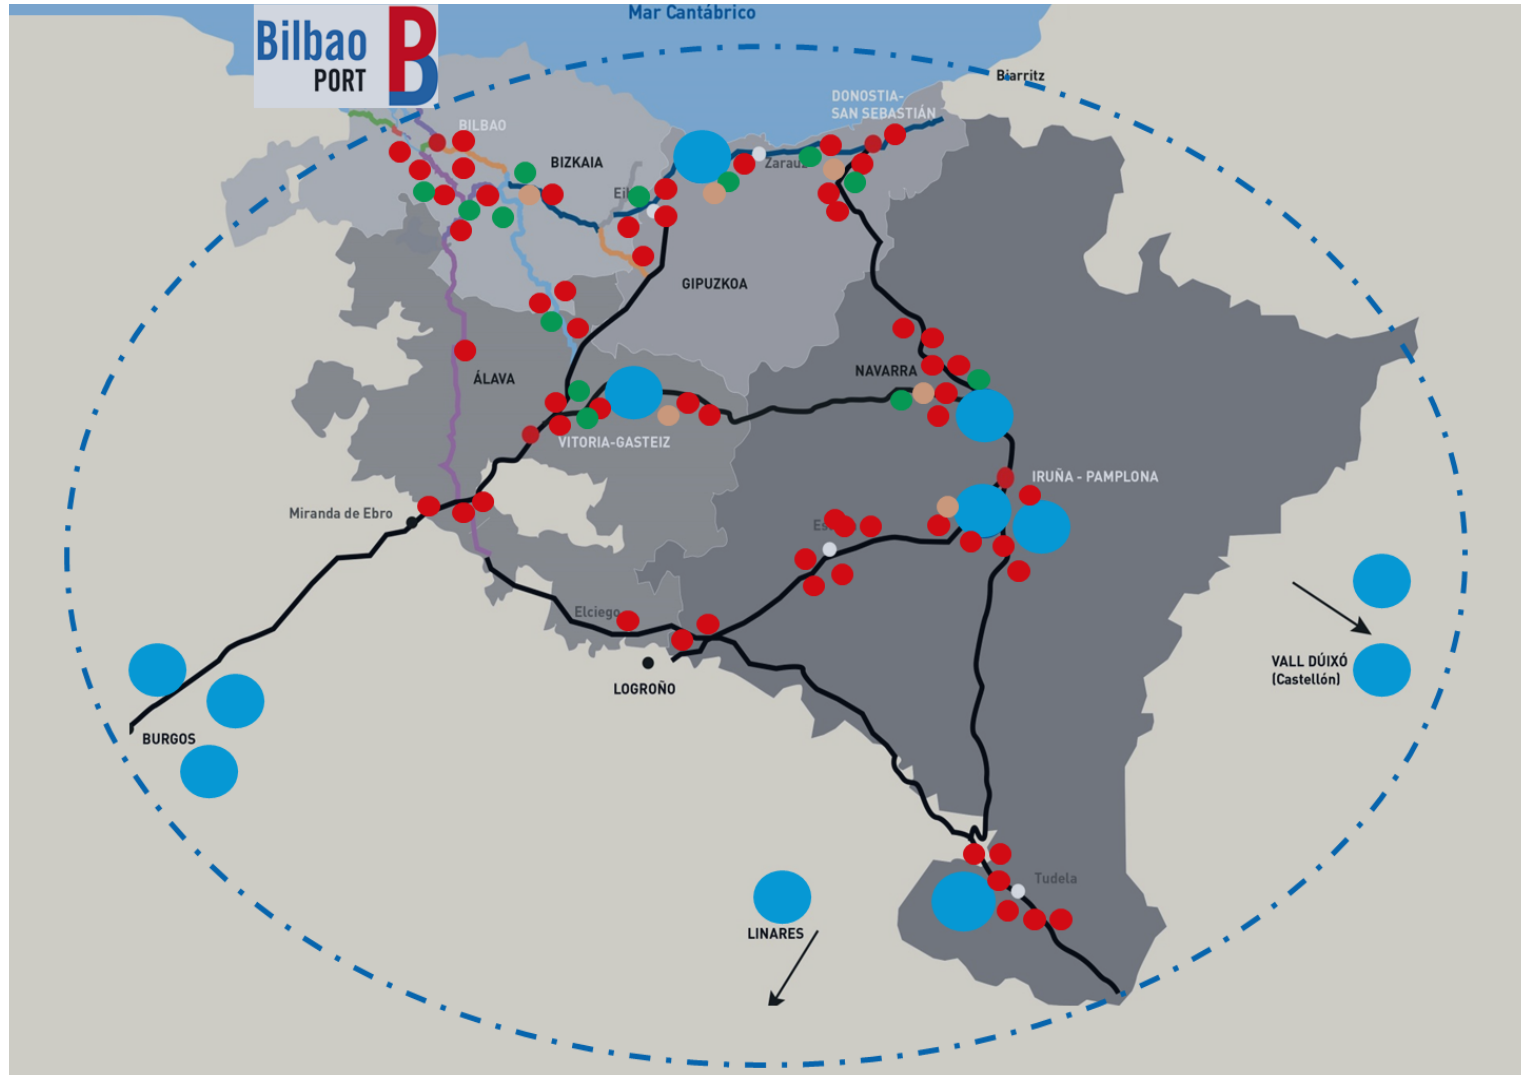

In 2023
3,603 units

Wind industry hub

Developing Logistics Corridors for Project Cargo Hinterland

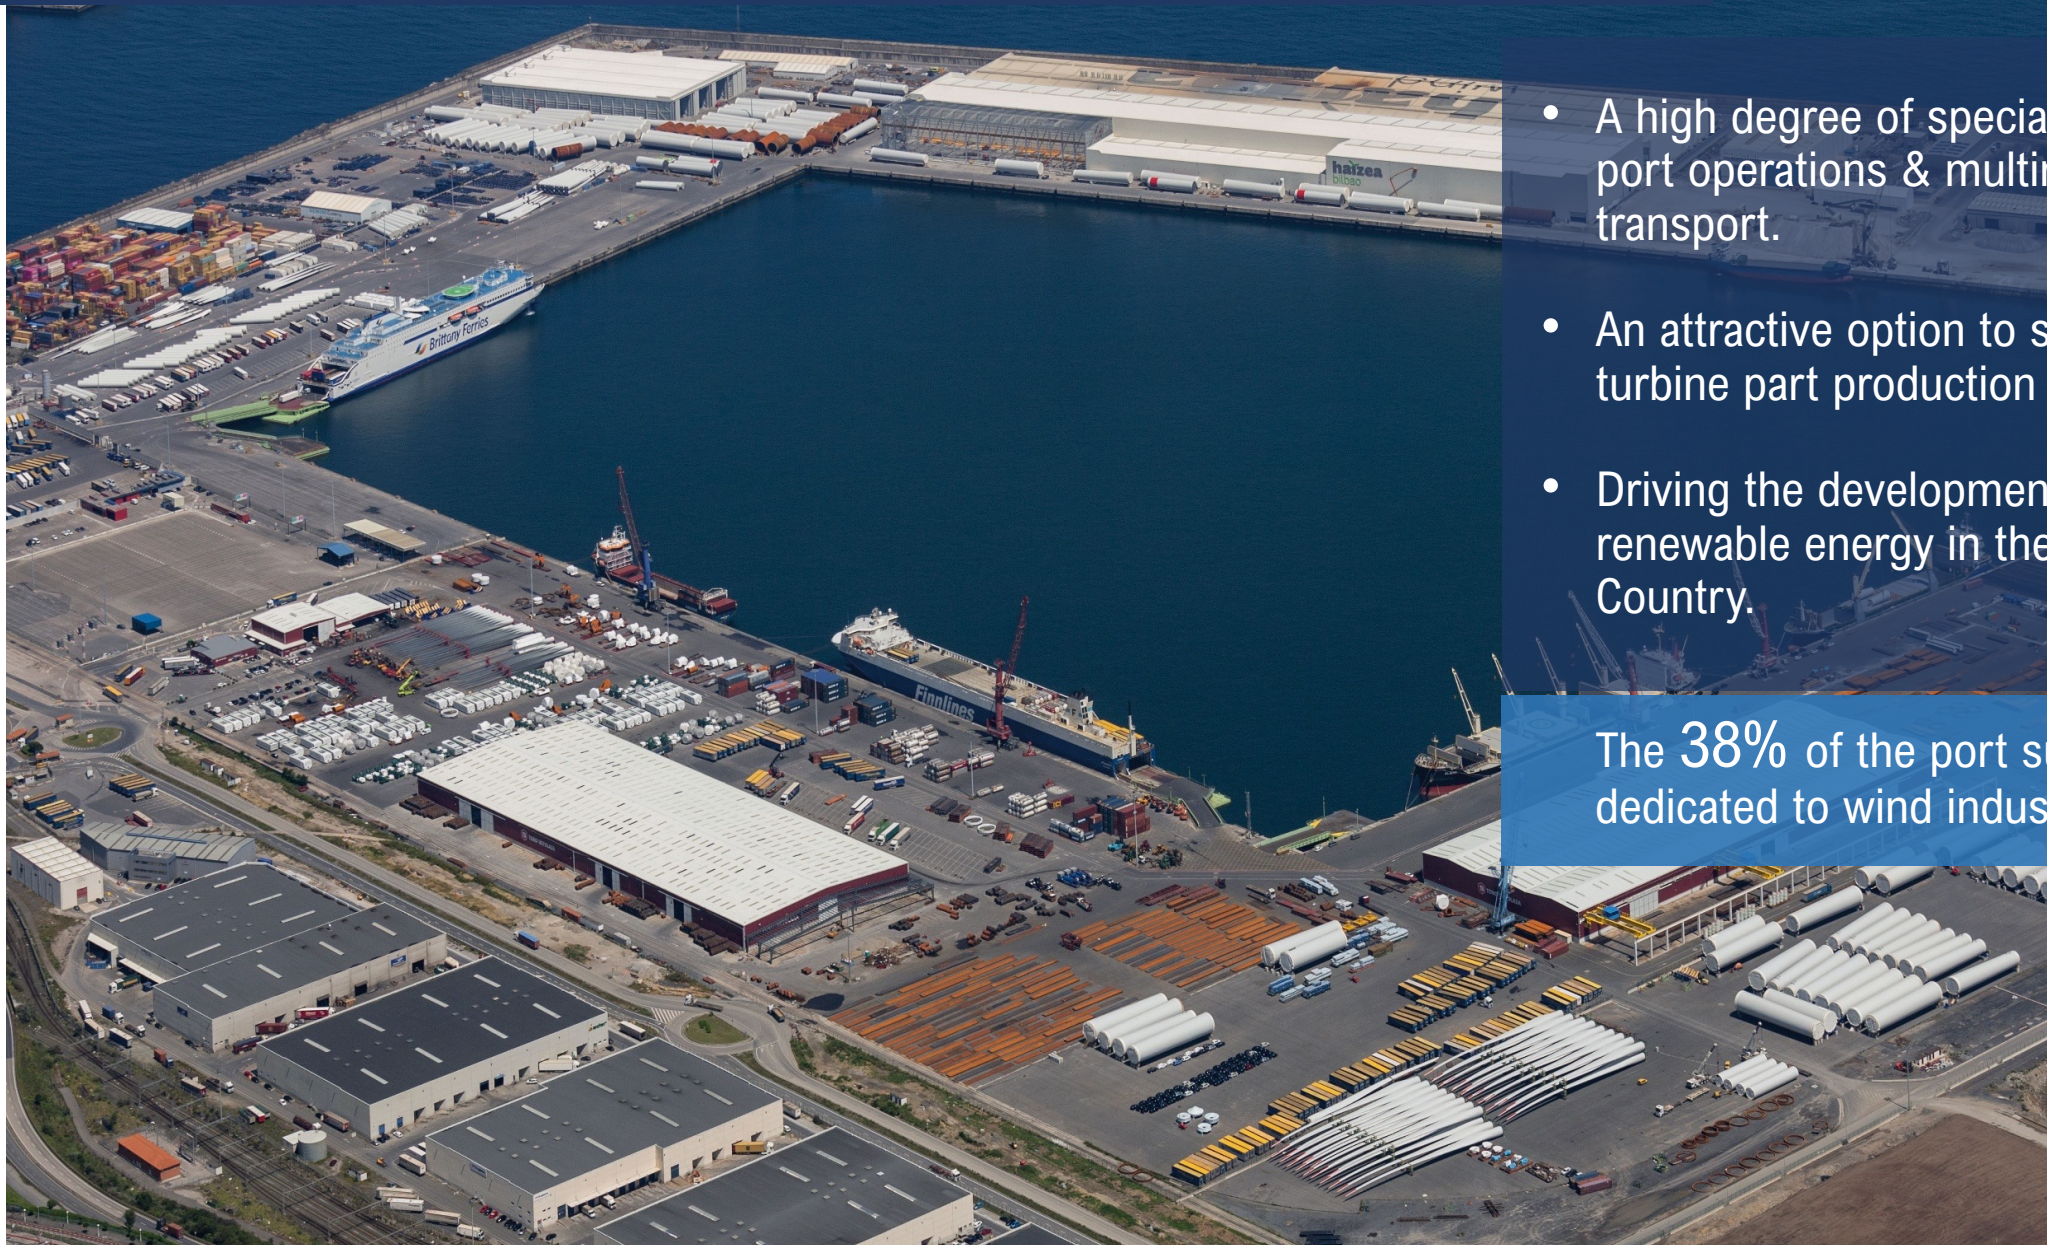

Wind industry plants

Wind component parts

Other Project cargo components

Wind / Project cargo other services

Strategic infrastructure for the Atlantic markets

- A high degree of specialisation in port operations & multimodal transport.
- An attractive option to set up wind turbine part production plants.
- Driving the development of renewable energy in the Basque Country.

The 38% of the port surface is dedicated to wind industry

A port open to innovation

 **DEMOSATH**

Bilbao
PORT 

Future strategy

- Competitive Port + Ecosystem for project cargo
- Total investment in infrastructure development: 300 millions €
- Energy transition plan: onshore power supply, other renewable energies...
- Developing new surface: central quay (phase 2)

An aerial photograph of the Bay of Biscay. In the foreground, a boat is moving from right to left, leaving a white wake. The water is a deep blue-green. In the background, a long, flat-topped limestone cliff stretches across the horizon under a clear blue sky with a few white clouds.

THANK YOU!
